# THINK GREEN

**“DON'T PAY” (to dispose your surplus stocks)**

**“WE WILL BUY THEM” (from your doorstep)**

**It's that simple**

- ✓ **WASTE REDUCTION ALWAYS**
- ✓ **RECYCLE FOR PROFITS**
- ✓ **“SELL” SURPLUS / UNWANTED STOCKS “BUY” PEACE OF MIND AND PROFITS**

## PROBLEMS FACED BY PROCEDURE OF GENERICS, API'S, INTERMEDIATES

- ✓ Are you having trouble to dispose surplus stocks of API's, intermediates, fine chemicals, solvent
- ✓ Stocks which are old, expired, OOS (Out Of Specification), quarantined, non-moving cost to incinerate, destroy, ETP treatment
- ✓ Difficulty in complying tedious and expensive EPA / ERA (Environment Regarding Agency) regulations, procedures
- ✓ High cost of maintaining stocks in warehouse
- ✓ Facing USFDA and regulatory audits by FDA, EDQM, Local Health and regulatory authorities making it difficult to maintain old, expired, quarantined stocks in warehouse
- ✓ Hazardous waste and material which are unsafe and uncertain to store for longer periods.

## SOLUTION PROVIDED BY NVIRO CHEMSTOCK

- ✓ We at NVIRO CHEMSTOCK take care of these problems by simply picking up the surplus / unwanted / old / quarantined stocks right from your doorstep (factory / warehouse)
- ✓ The surplus stock picked up at your doorstep are then transported and shipped to various facilities for recycling, reprocessing and re-using the same under strict regulatory norms and regulations without posing any threat to the environment
- ✓ Most importantly you also get paid for the surplus stocks to take care of your accounting sales and book values
- ✓ Surplus stocks without any COA, documents also possible to be picked up from your doorstep no questions asked
- ✓ Complete indemnity of the disposal of the stocks since it can be a purchase / sales transactions

## SURPLUS RECYCLE STEPS

- STEP 1 :** Owner of stocks complies a complete list of stocks for disposal and provides such a list with whatever details available to NVIRO CHEMSTOCK TEAM
- STEP 2 :** NVIRO CHEMSTOCK gives offer for picking up the entire list of stock and committed not to pick and choose or create any unfair distinctions.
- STEP 3 :** Offer is analyzed and accepted by owner giving details of warehouse places order for pickup of stock (if required) to NVIRO CHEMSTOCK.
- STEP 4 :** NVIRO CHEMSTOCK arranges to pickup the stocks from doorstep of owner without any hassles, compliance by the owner by the authorized forwarder of NVIRO CHEMSTOCK.
- STEP 5 :** Stocks are shipped to final destination by Sea/Air/Road and within 30 days from the date of arrival it is paid by NVIRO CHEMSTOCK.
